

## **AWAKEN NWTN series - Part 1.**

**Key Text:** Luke 15

**IceBreaker:** Tell the group what is the craziest way someone has had to wake you up?

### **Discussion Questions:**

1. Share a time when you wanted something from your parents and they gave it to you knowing it wasn't in your best interests. Or perhaps your child has asked for something...
2. The beginning of verse 17 begins, "When he came to his senses,..." When was that "awaken" moment in your life? Like the story, share the details of where you were, what was going through your mind and in what conditions you were living in.
3. Which one of the father's sons do you identify with the most: the prodigal son or the older brother? Why?
4. Jeremy said, "This story is not about the lost; it's about the looker." After reading these stories Jesus tells in chapter 15, do you agree with that statement? Had you ever thought about it before this Sunday's teaching?

### **Next Steps:**

Beginning Saturday, August 17, local followers of Christ will begin praying & fasting for our community by name. May we have compassion for the lost like the father had for both his lost sons. Let's begin to pray that the people in our prayer packets awaken to the love, to the grace and to the forgiveness of our heavenly Father.
