

ICEBREAKER:

What's the most dangerous thing you have ever done?

TEXT: Hebrews 11:35b-40, 12:1-3

DISCUSSION QUESTIONS

- 1.** Have you ever heard a message preached or a testimony shared that sounded like an infomercial for Christianity? What was your reaction: buy in or rejection?
- 2.** What is the easiest and most difficult part of writing a good story with your life? How do you continue to keep writing that story in those difficult times?
- 3.** Knowing the fact that others have gone before you, cheering you onward, how does that strengthen your faith? How does that help you finish strong and write & tell a good story?
- 4.** Jeremy said, "Life is not a sprint. It's a marathon." Do you agree or disagree with this statement? Explain.
- 5.** If the best stories will come to those of us who are willing to persevere and do not give up, what practical steps can you take today to continue on to write your story?

NEXT STEPS // HOW CAN WE PRAY FOR YOU?

Life with Jesus is better. We say this all the time here at Crosswind Church. Life doesn't become perfect or trial less but better. Let's pray to focus on the God who died for us and not the problems and the pains of this life. For He has overcome the world.
