

ICEBREAKER:

Name three things you should **NOT** do by yourself.

DISCUSSION QUESTIONS

- 1.** At one point, were you hesitant to join a homegroup as a means to go deeper in your faith? What factors (personality, church tradition, fear of the unknown, etc.) influenced you?
- 2.** Share a time when this homegroup or any group had a significant impact on your life.
- 3.** Jeremy explained how **Hebrews 10:19-25** encourage us as believers to do four things: *draw near to God, defeat sin together, hope on to hope together and practice our faith together*. Read those verses and then explain how this homegroup has or can do those four things.

NEXT STEPS // HOW CAN WE PRAY FOR YOU?

Take a moment to let the group members fill out and discuss the form: "A Better We" under Resources from Crosswind Church's website. Let's openly discuss how we can make this homegroup better because we > me.
