ICEBREAKER:

What is your favorite board game and/or card game?

DISCUSSION QUESTIONS:

1. How does our society/culture define being a “Christian”?
2. How would you define being a “Christian”? And what’s the most dramatic difference between your definition and society/culture’s definition?
3. Is there anything you or we can do to bridge the gap between these definitions?
4. Have you ever considered some church people to be “lost” or not all in? If so, does it bother you?
5. Jeremy mentioned a new category of people in the post-christian world called the “nones”, people who select none in the religious affiliation boxes. Do you know any nones? And what can you do to reach those people?
6. Read Jesus’ words in Luke 9:23. Do you find this command difficult to follow?
7. Think about this upcoming week. How will this command be difficult this upcoming week? And how can we pray for you?

PRAYER REQUESTS & NEXT STEPS:
