Give • Serve • Love

## Week 2 - Serve

**Bible Text:** 2 Corinthians 9:11-13

**Icebreaker:** Who is the best boss you have ever had? What made them so great?

### Discussion Questions:

1. What struggles do you have with busyness? Tell us about your weekly schedule.
2. Jeremy said, "The you in front of you, is more important than any task in front of you." How have you allowed your schedules to keep you from serving the less fortunate in our community?
3. Imagine the conversation that the people of NW Tennessee would have when asked to present evidence of how you lived out your life? (SGL: Remember the way that the townspeople of Wuchow responded when asked the same question.)

### Next Steps & Prayer:

- Begin to have the conversation of how this HomeGroup can volunteer together for Be Rich 2020. Visit [www.iamcrosswind.com](http://www.iamcrosswind.com) for help and direction. Think about how many hours you and your group can commit to.
- How can we pray for you this week?

"Because of the service by which you have proved yourselves, others will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else."— Paul in 2 Cor. 9:12-13
