

## **POLITICS, CHURCH & YOU.**

**BIBLE TEXT:** Romans 12:9-18

**ICEBREAKER:** On a scale from 1 to 10, how interested are you in politics?

### **DISCUSSION QUESTIONS:**

1. When you're with family, do you discuss politics or avoid it? Would you like that to change one way or the other? Why?
2. What do you look forward to most—and dread most—about presidential election years?
3. Outside of your workplace, think of the people you interact with most. What percentage of those people think pretty much the same way as you politically?
4. As Rufus Miles said, "Where you stand depends on where you sit." Do you really feel you would think different politically if you had a different set of past and current experiences?
5. When it comes to having conversations about politics, would you describe yourself as more unifying or disruptive? What's something you can do (or stop doing) to approach political conversations in a healthier way?
6. When it comes to politics and moving toward unity, what's a next step for you?
