

## Week #2 — Onesimus.

**Text:** Colossians 4:7-9 + Philemon

### Icebreaker Questions:

1. What's your busiest time of the year? And why?
2. What did this time last year look like?

### Discussion Questions:

3. Who has had an impact on your life that will perhaps never know it? Explain.
4. What's the hardest part of forgiving someone who has wronged you?
5. How do you take steps to reconcile with another person?
6. Like Philemon, have you ever been given an opportunity publicly to forgive someone that doesn't deserve to be forgiven?
7. How can it be better as a church to forgive & reconcile with others?
8. Consider if you're like Onesimus (feeling useless at times) or Philemon (needing to reconcile with another Jesus follower). What next steps do you need to take?

### Next Steps // Prayer Requests

1. Encourage those who aren't owners at Crosswind Church to consider signing up for Ownership Course on Sunday, April 25th.
2. Begin to look for ways you individually and we collectively can serve our church and our community.

*The church is not built upon the gifts & talents of a few, but on the sacrifices of many.*
