

Week #1 — Hope.

Bible Text: Habakkuk

Opening Questions:

1. Can you think back to what life look like one year ago?
2. What's one thing you enjoyed about a year ago? What's another that you despised?

Discussion Questions:

1. If you could live at any place & time in history, where would it be? Please explain.
2. What do you personally believe it speaks of God that you were placed on this planet at this place & time in history?
3. Share a time when you (like Habakkuk) started praying, but then soon realized all you were doing was complaining to God.
 - What injustices/wrongdoings do you see going unpunished?
 - How did that praying/complaining work out?
 - Did God hear you? Did He change your circumstances?
4. Garrett said, "Hope is future-oriented faith." What do you think about that statement? Agree or disagree.
5. How would you define hope?
6. Think about the past 365 days you have lived. What's something you should consider leaving behind?

Next Steps & Prayer Requests:

- Commit to learn Paul's words in Romans 15:13.
- Encourage one another in homegroup to have hope.
- Pray for one another to continue to have hope despite life's situations.
