Week 2 — Love.

Bible Text — John 13:34-35

Opening Question: If you could change one thing about the way the world views Christians, what would you change? Why?

Discussion Questions:

1. In your opinion, is the church known best for its songs & sermons or for loving well? Explain.
2. Do you know anyone who is skeptical of all things Christian, but is envious of how Christians treat one another? If so, please share.
3. Have you ever had to serve someone like Jesus served Judas Iscariot?
4. Think about this last week. If you take away all the religious activity (church, prayers, Bible reading, worshiping, etc.) and just thought about the way you loved, would the world be convinced you are following Jesus?
