

## **ICE BREAKER**

When it comes to taking on a new hobby or skill I most likely:

1. Start off slow and figure out all the ends and outs before committing
2. Jump completely in with little knowledge and learn as I go
3. Don't start anything new

When I find something I enjoy I tend to:

1. Enjoy it for the rest of my life and look for ways to improve
2. Enjoy it for a short season and move on later
3. Be surprised i actually found something I enjoyed

## **SMALL GROUP DISCUSSION**

*Bible Text Mark 10:17-22, Mark 16:15, 20*

1. Jesus' call was to drop everything and hold on to Him only? How hoard is this for you? What obstacles are in your way?
2. Maya Angelou said, "you can only become great at the thing you are willing to sacrifice for." What do you need to sacrifice? And what makes it so difficult?
3. Which step in the process to living on mission are you on; advocacy, giving or going? How steps do you need to take?
4. Life is best in community, what can this group do to help each other to be more accountable to living out Jesus' call to action?
