

The Christmas Table

x x x

Week 1 – Mephibosheth at the King’s Table (2 Samuel 9)

Discussion Questions:

1. Think about your family’s dining table. What is its primary use? When was the last time your family sat down and enjoyed a meal at that table?
2. How can your own family better prioritize meals at your table?
3. Have you ever consider how tables are significant throughout the Scriptures? Can you think of other Bible stories where tables are mentioned?
4. Describe a time when you thought something bad was about to happen but didn’t. Matter of fact, it turned out pretty good.
 - How did you feel after that experience?
 - Why did you misread the situation?
5. Do you feel that this homegroup does a good job of prioritizing time at the table? Please explain. Then if needed, discuss ways to be better.

Next Steps & Prayer Requests:

- Consider your schedule this upcoming week. What day works best to sit down and share a meal with your family? No distractions. No devices.
