

Week 2 — Serving Others

Icebreakers:

- What's something you do "once in a while", but honestly you need to do more often?
- And why the hesitation? Procrastination?

Discussion Questions:

1. What is it going to take for you to move the idea of serving from "once in a while" to more often?
2. Garrett referenced several New Testament authors in regards to serving. Have someone read each of the following passages:
 - Peter in 1 Peter 4:10
 - John in 1 John 3:16-18
 - James in James 2:15-17
 - Paul in Philippians 2:3-4
3. Which one of the following verse(s) would you learn to help you serve others more? Is there any verse that comes in mind instead?

Next Steps:

- Decide today how you can serve others on the simplest, smallest of scales.
- Consider serving together as a group on Sunday, January 30th at The Bridge of NWTN.
- Plan a serve project with your homegroup.
