

ICEBREAKERS:

- Growing up, what was your favorite story read to you at bedtime or favorite movie you were allowed to watch over & over?
- Now older, what parts of that story and/or movie that just seem absolutely impossible or improbable to believe?

DISCUSSION QUESTIONS:

1. The Bible contains so many amazing stories! If you could choose one person or story within the Bible (excluding Jesus) to produce into a movie, which one would you choose? And what parts of that story would be difficult for the audience watching to believe?
2. Thinking about the life, death & resurrection of Jesus, what parts of His story do other people seem to have a hard time believing? Do you have difficulty with some of His story?
3. Read 1 Corinthians 15:13-17. How does the apostle Paul's words challenge your faith?

NEXT STEPS:

- Take time to think about those in your family, friends, coworkers and others who have not accept Christ as Savior. Say his or her name out loud. Pray for them.
- Consider reading all of Paul's words about Christ's resurrection in 1 Corinthians 15.
