

BETTER DECISIONS FEWER REGRETS

THE LEGACY QUESTION — What story do I want to tell?

ICEBREAKERS:

- Share with everybody one of your favorite stories you have ever read in a book or watched in a movie and why.

DISCUSSION QUESTIONS:

1. If you were to write your autobiography, what parts of your story would you be tempted to leave out?
2. What are the regrets you have from the decisions where...
 - you had no control?*
 - you were in control?*
 - you were in full control?*
3. If you were to write your autobiography, what parts of your story would you be tempted to leave out but would include because God has redeemed your story?

NEXT STEPS & PRAYER REQUESTS:

- Begin to realize your life is a story. And when facing trying decisions, ask yourself this question, “What story do I want to tell?”

*Feel free to take time and pray for each others’ regrets during the discussion.
