

ICEBREAKERS

- Go around and ask everyone what is his/her greatest fear?
- After everyone has shared & explained, then google whether or not those are actually fears or phobias. Explaining the differences and if you agree or not.

DISCUSSION QUESTIONS

1. Out of all the fears & phobias we have, do you think the fear of failure is a common fear that others deal with? Explain.
2. Is failing something you fear now or have struggled with in the past?
3. Tell a time when you were caught doing something you weren't suppose to do by someone who genuinely loves you. (Example: Peter locking eyes with Christ after denying him three times.)
 - What did you learn from that experience?
4. Describe what it means and says to you about our God that while Peter denied Christ three times, Jesus allowed Peter to reaffirm his love three times.
5. If Jesus really is a God of do overs, how does this truth change your perspective about the upcoming week and the challenges it will bring?
