

ICEBREAKER

- What's your favorite picture you've taken with your month in the last 30 days? Take a few minutes to look at your photos. Show the group and then tell us why.

DISCUSSION QUESTIONS

1. Tell us about an injury of yours, your kids', etc. that you had to explain to almost everyone you came in contact with.
2. In John 9, a blind man refers to Jesus in three different ways: a man, a prophet and eventually Lord. While many refer to Jesus as Lord, do you happen to know others who simply think of Jesus as a man or a man from God/prophet?
3. Before you began to believe in and follow Jesus, did you find it difficult to believe? If so, please explain your reservations. If not, why was it so easy for you?
4. Garrett explained how the blind man began believing in Jesus by his own personal experience, not a Bible chapter & verse or any education: Jesus healed me and only God can heal so therefore, Jesus must be God.
 - Think about your own personal story & experiences.
 - How could you explain to others the reason why you believe in Jesus?

NEXT STEPS & PRAYER REQUESTS

- Grab a bookmark and/or journal for reading John's gospel.
- Pray for those you know who have not yet to believe in Jesus. Despite their circumstances and limitations, they would come to know Jesus as their Lord.
