

## **PART 2: WHOM WILL YOU SERVE?**

### **ICEBREAKERS**

- What's that one specific kind of freedom you wanted growing up and when you finally had it, it wasn't all that it seemed?

### **DISCUSSION QUESTIONS**

1. Can you think of examples in our society where folks got what they want, but gave up their freedom in the process? How have we glamorized this kind of lifestyle?
2. Where in your family tree has generational dysfunction occurred when relatives did what was right in their eyes? Have you been able to break this cycle?
3. When Jeremy said, "You either choose to serve the true God or be made a slave to a god.", do you agree with this statement? Does it find you on the offensive?
4. A god can be, but is not limited to the following: greed, popularity, lust, comparison, stuff, fear, relationships, mediators, etc. What other gods have you had to deal with in your journey of faith? What gods are you currently dealing with in which this homegroup needs to be aware of and in active prayer?

### **NEXT STEPS & PRAYER REQUESTS**

- Remember: Through our disobediences & disasters, we serve a God of deliverance.
