

Part 1: Purpose

Icebreakers

- Do you have a “word of the year”? Or what’s a goal or two you’d like to achieve in 2023?

Discussion Questions

1. How would you describe “grace”? What’s the best way of wording this free gift of God
Consider the words Paul writes in Ephesians 2:5-9.
2. Jeremy said, “We weren’t just created for heaven; we were created for more.” What does that mean to you as a follower of Jesus, as a parent or relative, as a spouse, etc.
3. Read Paul’s words in Ephesians 2:10. Have you ever considered that God planned things for you to do before you were born? Have you ever thought to seek out those plans?

Next Steps & Prayer Requests

- Prayerfully consider what your next step in your faith could be this year. Is there something “more” that God wants for you?
- Commit to memory Paul’s words in Ephesians 2:8-10.
