

## Part 2: Gifts

### Icebreakers

- What did you want to be growing up? And how did it change over the years into adulthood?

### Discussion Questions

1. Have you ever given it any thought that God graciously gives us gifts?
2. Take some time to read the following passages: 1 Corinthians 12:1-11, Ephesians 4:7-13, Romans 12:4-8 and 1 Peter 4:10-11.
  - What is similar about every passage?
  - Is there one that sticks out to you above the rest?
  - Do you feel like you have one of these gifts? If so, how are you using it?
3. What is the gift God has graciously given to you so that you can serve others?

### Next Steps & Prayer Requests

- Take a self-evaluation: what do you want to do with your life, what are you naturally good at, what obviously excites you and what are you curiously drawn to. Think about it. Pray about it. Then begin to serve others with it.
