

# THE BIBLE *for* GROWN-UPS

## **PART 3: THE OLD TESTAMENT**

### **UP FOR DISCUSSION**

1. Poll the group with this timeless question: Which came first, the chicken or the egg?
2. Were you taught how to read the Bible? And how do you teach your children to read the Bible?
3. Growing up, what was one thing you had a problem with or question about in regards to the Bible? Were any (or all) of these issues connected to the Old Testament?
4. How do you personally view and treat the Old Testament scriptures? Any tips for those who might be a bit shy or scared of it as a whole.
5. Read Isaiah 53.
  - Who else could Isaiah be prophesying about? If not Jesus, who?
  - Pick a verse or two to share that are your favorites and explain why.
6. Garrett taught, “If we can trust Jesus with our salvation, then we can trust Him with scriptures too.” Do you agree with this statement? If no, explain. If yes, how does this idea take your faith in Jesus to the next level?

### **NEXT STEPS & PRAYER REQUESTS**

- Invite someone to Crosswind next Sunday as we conclude this series.
