SOAKING IN THE BEAUTY OF GOD

PSALM 63

UP FOR DISCUSSION:

1. Do you remember your first love? What was their name? Tell us about them
2. Read Psalm 63
3. Have you ever found yourself in a "wilderness" moment? What was that like? How did you feel about God in that moment.
4. What is the first thing you think about every morning? Jeremy said that "Your life is driven by what you love." If you had to name one thing, what do you think drives your life?
5. How has God come through for you in the past? How have you seen him come through for others? How can these memories help you in your wilderness moments?
6. Are there songs or scripture verses that you have on your heart that God calls to mind at seemingly the right time? What are they?
7. Jeremy said, "When you become aware of the greatness of God's love, a wilderness experience can turn into a worship experience." Have you ever experienced this? Tell us about it.
