

DARK HORSES

PART 1: DAVID, A FORGOTTEN KID IN A FIELD

ICEBREAKER:

- What is one of your favorite lesser known people/story in the Bible?

DISCUSSION QUESTIONS:

1. What was something in childhood that you believed about yourself that now looking back is simply not true?
2. In 1 Samuel 16, David isn't even invited to the party; he's taking care of the flocks. Share a time when you were left out or uninvited to something.
3. What insecurities arise within you when you feel left out? What lies of the enemies begin to seem truthful in those moments?
4. Read 1 Samuel 16:7. What does God see in your heart that others might not? What things need to be shared? And what needs to be confessed?
