## PART TEN: WISE LAST WORDS

### ICEBREAKER

- Growing up, what did your parents always tell you? Was there wise (or threading) words offered before leaving the house?

### DISCUSSION QUESTIONS

1. If you could decide ahead of time, what would your last words be?
2. Jeremy challenged us one final time with things to remember. Which of the following do you need to put into practice today?
  - Love is the commandment.
  - We need one another.
  - Unity in the midst of diversity is our superpower.
3. With these challenges are also requirements: focus, commitment & patience. Of these three, what comes the easiest and how? Give us a practical tip or two that has helped you be focused, committed and/or patient.
4. For the past ten years, the why of Crosswind Church has been “life with Jesus is better”. How can you prove that statement to be true this week?

### NEXT STEPS & PRAYER REQUESTS

- Consider Jeremy’s three challenges and put into practice one, if not all three, this upcoming week.
