

HOW TO BE GRACIOUS

ICEBREAKER:

- Share the story of when you receive your first speeding ticket.

DISCUSSION QUESTIONS:

1. Grace is the undeserving and unearnable favor of God. Before this message, when you heard of the word "grace", how did you define it?
2. Talking about and singing about grace is one thing but granting grace is a bit more difficult. Why? Why is granting grace hard?
3. Have you ever tried to "pay back" God's grace by doing something for Him? Prayed more, gave more, served more, etc.
4. Read Paul's words in Ephesians 2:10. If we cannot earn God's grace by paying Him back, then what if we simply focused on good works? What good work can we do this upcoming week as we grant grace?
