

# LOVE ONE ANOTHER

"Love one another. Just as I have loved you." John 13:34

**Guest speaker: Dan Huggins, pastor of Refuge Mission**

**Icebreaker:**

- What's your go-to karaoke song?

**Discussion Questions:**

1. Take time to read Paul's words in Galatians 5:22-23 where he lists the fruit of the Spirit. Which of these comes natural for you? And which one do we need to stop group right now and pray for you to have?
2. In your opinion, why are these three words, "Love one another", so difficult to apply to our every day lives?
3. How can this homegroup begin to implement these three challenges to love others well?
  - Spending time with one another
  - Showing up in spite of others' sins and mistakes
  - Teaching one another Jesus' commands
