

HOW TO BE ABOUNDING IN LOVE

ICEBREAKER:

- Tell us all one bad childhood/teenager decision you regretfully made.

DISCUSSION QUESTIONS:

1. Why do you think we crave "freedom" or "independence" so much? Is having freedom from authority all that it cracks up to be?
2. How would you describe the love of God? Do you see that kind of love in your parents, step-parents or other family members?
3. In the story of the lost/prodigal son, what part of that story is your favorite? Reference Luke 15:11-32.
4. Give us an instance (maybe from the Icebreaker section) where you performed badly as a child, teen or young adult but love prevailed.
5. In accepting God's love, how can you show it to others this week, others who you disagree with?
