

## HOW TO BE ABOUNDING IN FAITHFULNESS

### ICEBREAKER:

- What is the perfect fall/autumn family movie?

### DISCUSSION QUESTIONS:

1. Have you ever found yourself asking the question: "Is this worth it?" If so, what "this" were you referring to? A fan of a football team? A job? Parenting? Marriage? Life, in general?
2. Read the characteristics of God in Exodus 34:6. Have you ever found yourself angry or frustrated with God at His qualities?
3. From running away, to the belly of the fish and even in Jonah's frustration, God was faithful. How has God been faithful in your life?
4. Chase said, "God's faithfulness does not equal our happiness; therefore, our happiness cannot determine our faithfulness." How often do we pushback against the promises we've made because we aren't happy?
