

## PART 1: HIDE & SEEK WITH ADAM & EVE

### ICEBREAKER:

- If you were to play hide & seek in your home, what is the best hiding spot?

### DISCUSSION QUESTIONS:

1. When playing hide & seek, how long do you seek someone before giving up?
2. Whether you have read Adam & Eve's story in Genesis 3 or not, why is it that human beings push back against the restrictions? Why do we want the things we cannot have?
3. A natural reaction to sin & shame is to hide. Have you ever reacted this way? If not, in what way do you react when you make a mistake?
4. What does God's response of "Where are you?" say to the character of God? How does this change your perspective of God when you sin?

### NEXT STEPS & PRAYER REQUESTS

- Recognize where you are and step out of shame today!
