

PART 2 — WHAT IS JUSTIFICATION?

ICEBREAKER

- Talk about a time when you made a terrible trade.

DISCUSSION QUESTIONS

1. Have you ever tried to barter with someone? With God?
2. Why are people often tempted to rely on their own efforts to earn God's approval? Have you experienced this in your own life?
3. Read Paul's famous words in Galatians 2:20. What does it look like to have Christ live in you on a daily basis? Do you feel different? Look different?
4. Reflecting on verse 20 again, how does remembering Christ's love for you shape your identity and your relationship with others?
5. If salvation is really through "grace alone, faith alone", what role do good works play in the life of a Jesus-follower? And how do we live in the freedom of grace without neglecting a life of good works?
