

# The Way Of Jesus

WALK WITH JESUS, WATCH HOW HE DID, WORK LIKE JESUS

## PART 2 — WATCH HOW HE DID

### ICEBREAKER

- What one thing do you wish you had learned from a deceased loved one?

### DISCUSSION QUESTIONS

1. If you could ask Jesus to teach you anything, what would you want to be taught?...and don't say prayer!
2. In Luke 11, Jesus' disciples asked him to teach them how to pray. What do you think they saw about Jesus' prayers that made them want to pray like him?
3. Based from Jesus' words in Luke 11:9, Garrett said, "The one rule with prayer is to keep on keeping on." What are common reasons we quit praying?
4. Where and when do you pray?
5. How can we begin to use the model Jesus taught — Luke 11:2-4 — in hopes of being persistent in our prayers?

### NEXT STEPS

- Spend two minutes praying for the next seven days. Use the model Jesus taught: acknowledging God and asking for help & forgiveness.
