

The Way Of Jesus

WALK WITH JESUS, WATCH HOW HE DID, WORK LIKE JESUS

PART 3 — WORK LIKE JESUS

ICEBREAKER

- What is one question you want to ask God when you get to Heaven?

DISCUSSION QUESTIONS

1. Describe what you think Jesus was like as a boy, as a teenager and as a young adult. Have you ever considered how much of Jesus' earthly life was lived in obscurity vs. out in the open?
2. What would be racing through your mind if as a first century follower of Jesus He sent you out to heal the sick, cast out demons, etc. and then report back?
3. How can you begin to implement Jesus' discipleship model of instruction, demonstration, experience & assessment (IDEA)?
4. Garrett said, "There's always a next step when following Jesus." What's yours?
5. Agree or disagree: God's will is whatever.
6. Read Paul's words in Colossians 3:17, 23. Whatever you do this upcoming week, how can you do it as if working like Jesus?

NEXT STEPS

- Ask yourself this week: WWJDIHWM? — What would Jesus do if He were me?
