

# The Mount.

the most influential sermon in history

## How to Listen and Do

### IceBreaker

- What story, book and/or movie has the worst ending ever?

### Discussion Questions

1. Jesus ends his "Sermon on the Mount" by calling his followers to not just listen but to do what He says. Share a story when you, your spouse, your kids listened to what you said, but didn't do what you said.
2. How does it make you feel when someone listens to you but didn't do what you said? And do you think God might feel the same when we do not listen to His Son, Jesus?
3. Why do you think some Christians stop at listening?
4. In Matthew 7:24-27, notice that Jesus says the weather elements hit both houses. How does listening & doing protect us from collapsing during hard times in this life?
5. Think back through Jesus' teachings in Matthew 5-7, what one thing have you have been listening to but now should begin doing?

### Next Steps

- Don't just listen to Jesus' teaching; do what He says.
