

## Part 3: Going From Good to Great

### **Icebreaker**

At this point in your life, what has been your favorite age?

### **Discussion Questions**

What's something good in your life right now that you are grateful for?

In Genesis 12, Abram is asked to leave a good situation, not a bad one, how would this affect you when trying to decide to delay or obey God?

Where do you see the tension between good and great in your life currently?

If faith grows up when excuses grow silent, then what specific excuses need to grow quieter in order for your faith to grow?

Can we help you in any way to say yes to God sooner rather than later?
