

## Part 1 — Invitation Over Impression

### Icebreaker

- What do you enjoy the most when it snows?

### Discussion Questions

1. What meal or table moments will forever stand in your mind?
2. Jesus recruits Levi to follow in Luke 5:27-32. What stands out to you the most in this story?
3. Notice that Jesus invites before Levi “cleans up” his life. Did that have any significance to us as Jesus followers?
4. What pressures or fears come to mind when you hear the word “hospitality”?
5. Have you ever been tempted to not invite someone over because you feared you could not impress them?
6. If hospitality is more about inviting than impressing, what do you need to stop fearing so you can practice hospitality this month?

### Next Steps
