

SERVE THE WORLD

## MISSIONS SUNDAY 2023

### DISCUSSION QUESTIONS:

1. If you could visit any place in the world with no financial or fear concerns, where would you visit?
2. Read Jesus' words in Acts 1:8. What do you think the disciples thought when Jesus said they would be his witnesses to the ends of the earth?
3. Have you ever considered going on a missions trip? For those who have gone on a trip, share your experience: Where did you go? What did you love about it?
4. Today, the missions team spoke of working at clinics, visiting at houses and learning how to use water filtration systems. If you went on a missions trip, what is something you would like to accomplish at the end of the trip?
5. What are some common concerns before signing up to go on a missions trip? And how could those concerns be put at ease?

### NEXT STEPS

- Consider how we could give to, go on and pray for our upcoming missions trips.
