A STUDY IN JAMES

Part 2 — Mirror, Mirror on the Wall

IceBreaker

- Are you a good listener? After you answer, have the group ask your spouse or text your best friend to see if their answers match your own answer.

Discussion Questions

1. Which do you need to implement in the immediate: quick to listen, slow to speak and/or slow to anger?
2. Share a story when you recently listened to what the Holy Spirit revealed to you, whether thru a sermon, scripture, group discussion, etc.
3. Have you ever experience a blessing clearly after you listened and did what God instructed you to do?
4. Do view your faith in Christ to be restricting of freedoms or a release to freedoms?
5. Garrett said, "Listening is great, but doing is better", throughout the message encouraging us to action. How can you put your faith into practice this week? When was the last time you served or looked after the social outcasts and ostracized?

Next Steps & Prayer Requests

- Don't just listen to the sermon or read scriptures, do what was encouraged this upcoming week. Put what you read into practice.
